RE: FOIA Appeal 2019-ICAP-00055; 2018-ICFO-59705

Dear Ms. Koh:

This is in response to your email dated and received on October 16, 2018, by U.S. Immigration and Customs Enforcement (ICE) appealing (1) the denial of your fee waiver for all costs, and (2) the constructive denial of your Freedom of Information Act (FOIA) request by the ICE FOIA Office because ICE FOIA had not responded to your FOIA request as of the date of your appeal. Your original FOIA request, dated September 7, 2018, sought various records regarding collaboration and communications about the enforcement of immigration laws between ICE and the Union Pacific Railroad Police. In an email dated September 24, 2018, you clarified your request by providing a narrowed scope for responsive records.

On October 25, 2018, the ICE FOIA Office issued their final response letter to your FOIA request, informing you that no records responsive to your request were located, and did not charge any fees associated with the processing of the request. Therefore, the claims you originally appealed are now moot, and ICE is administratively closing this appeal.

This decision is the final action of ICE concerning your FOIA request. Inasmuch as you consider this to be a denial of your appeal, you may obtain judicial review of this decision pursuant to the provisions of 5 U.S.C. § 552(a)(4)(B) in the United States District Court in the district in which you reside or have a principal place of business, or in which the agency records are situated, or in the District of Columbia.

The Office of Government Information Services (OGIS) also mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you wish to contact OGIS, you may email them at ogis@nara.gov or call 1-877-684-6448.

Should you have any questions regarding this appeal closure, please contact ICE at ice-foia@dhs.gov. In the subject line of the email please include the word "appeal," your appeal number, which is **2019-ICAP-00055**, and the FOIA case number, which is **2018-ICFO-59705**.
